Annual Spring Work Day and Vaccination Clinic

What an amazing turnout for the Spring Work Day! Over 45 people rolled up their sleeves and came out to RBR to lend a hand weeding, trimming, painting and more. Thanks to everyone's effort, much was accomplished.

Thank you to the following people for attending the work day: Dale and Tamara Thomas, Rebecca and Ashley Roberson, Eric and Sabrina Waller, Kelsey Toms, John, Bonnie and Greg Hedrick, Mark and Clare Hatch, Taryn and Jamie Simone, Fly Manglicmot, Susie Brown, Mary Barrie, Emily and Ted Stork, Lisa, Audrey and Sidney Grabow, Sue Lafferty, Annie Dawson, Ruth and Carolyn Pasqualetto, Rebecca and Raquel Ruiz, Wendy Osmundson, Hannah and Olivia Huffman, Lambert Gilbert, Sally Sandor, Ing Ostrom, Susanah Romney, Ted Bosley, Nadia Barulich, John and Connie Flanders, Julie Unamuno, Katie Ginzton, Patricia DeHaven, Jeff Powell, Rebecca and Grace Rinck, Susan Dow and Katie Whisenant.

If you were unable to attend the work day you'll need to contact Jeff Powell, the grounds director at rosebowlriders_info@yahoo.com for an alternate job to be done within the next 2 weeks. Or, in lieu of

working, you may send in a check to the RBR P.O. Box. Any amount is appreciated. Please specify "work day donation" on the check.

A special thank you to Rebecca Roberson for the spread of delicious foods and to Fly Manglicmot for the gourmet coffee that was provided for all the early risers on work day!

Rose Bowl Breakfast Ride

Ride at 9:00 am from RBR, and meet riders from other local stables for a photo op at the Rose Bowl, followed by breakfast at the Brookside Clubhouse. Non-riders and non-members are welcome to join. Betsy Bour and John Hedrick will lead the group from RBR and Sue Lafferty and Tom Lockhart will head the groups from Arroyo Seco Stables and San Pascual Stables.

Thank you to Patty Sue Jones for organizing this event.

Welcome New Horses

Please welcome Mighty, a gray Arabian gelding and his owner Ing Ostrom back to RBR! Also, a warm welcome to Go Van Gogh, the lovely dappled gelding who is being leased by Nadia Barulich and Kelsey Toms.

Community Connections

Doug, Patty, Cody and Magi will provide a Horse Painting Workshop from 11:00 am until 2:00 pm during Museums of the Arroyo Day at Heritage Square Museums (3800 Homer St.) on Sunday, May 18th. This museum partners with the Gamble House, Southwest Museum and other Arroyo Seco Museums for a free day of culture, art, history and community along the Arroyo Seco.

Our PCC Neighbors

Our new neighbors, the Sustainability Studies students from Pasadena City College toured RBR with Skipper and Patty in April. Farrier Pat Phillips and Jake gave a horse shoeing demo. Professors Erika Catanese, Krista Walter and 20 students carried shovels and rakes to work with Patty on a trail clearance project in the Arroyo. When you are riding by the tipi and garden, take a moment to say hello and welcome our neighbors. They loved touring RBR and meeting the horses and humans alike!

Thanks!

Thank you to Jeff Powell for fixing the awnings over the grandstands and to John Hedrick for tractoring the squirrel holes by the main arena.
