Third Annual Horses in the Arroyo Day

Thank you to Ivy Murillo for putting together a wonderful play day and BBQ and to all of the members who volunteered their time! Many local horses and riders came out to enjoy the festivities despite the over 100 degree heat. Thank you also to the Hermanos Banuelos Charros who performed for us!

Emergency Procedures

Please take the time to read the 911 emergency procedures that are posted in the clubhouse and above the barn phone. These instructions will come in handy in case of an emergency in which 911 would need to be called. Thank you to Betsy Bour for putting this together.

RBR's Very Own Water Truck

RBR is finally the proud new owner of it's very own water truck. After attending many auctions and scouring the ads, John Hedrick, our arena and tractor Dir. found a water truck! Thank you to Dale Thomas, Jeff Powell, John and Greg Hedrick for fixing its leak and devising a quick-fill plan. A big thank you to Greg for watering and dragging the arenas daily!
