Fall Work Day & Vaccination Clinic with Dr. Peralez

On Saturday, **October 27th** RBR had over 30 members attend its fall work day! Some of the tasks accomplished included installing lights in the lesson barn, weeding around and pulling sand back into the jumping arena, sweeping the tack rooms, the feed room, fridge area and wash rack, raking the picnic and trailer parking areas, trimming along the trail north of RBR, sorting and counting the show ribbons, repairs to the bathrooms and cleaning out the clubhouse closet. All in all it was an *extremely* productive day!! A special thank you to Rebecca Roberson for the lovely and delicious breakfast spread and to Fly Manglicmot for the gourmet coffee!

Thank you to these members for attending the work day: Betsy Coles, Eric and Sabrina Waller, Emily Stork, Jeff Powell, Alexis Young, John, Bonnie and Greg Hedrick, Julie Unamuno, Rebecca and Ashley Roberson, Patty Sue Jones, Fly Manglicmot, Grete Gryzwana, John Suttill, Dale and Tamara Thomas, Patricia De Haven, Katie Ginzton, Peg Frerking, Sally Sandor, Charlie Rasmussen, Brian McCulley, Doug Larner, Susanah Romney, Carolyn Pasqualetto, Rebecca and Raquel Ruiz, Connie and John Flanders, Kelsey Toms and Nadia Barulich.

If you were unable to make the work day you may either send a donation to the P.O. Box or ask John Hedrick (rosebowlriders_info@yahoo.com) for a job to do on your own time. It is extremely important for the future of the club that *all* members, *especially* those who use the facility on a frequent basis, participate!

Over twenty-five horses received their vaccinations and check-ups from Dr. Peralez and his assistant Sarah on Saturday. A follow-up clinic is set for November 12th at 10:30 am for the horses that need floating, sheath cleaning and/or additional shots. Below are the horses that are scheduled. Please call Dr. Peralez's office if you would like to add on to the clinic. (626) 446-8911.

William – teeth & sheath
Nutkin – teeth and WN shot
Marmalade – teeth

Willie – teeth
Nick - sheath
Jake - sheath

Sox - sheath

In Memory

Last week we said goodbye to longtime stable mate Lucy. Lucy was suffering from a rare tumor in her hoof and had to be put down. She was a beautiful and sweet horse who was loved by many at RBR. Our thoughts and prayers are with Hilary.

Arenas

The main arena's footing has been leveled. A new sub-base and top layer was created from our existing sand to create a more even riding surface. The oval and jumping arena both got some new sand and the jumping arena was also leveled. Thank you to Greg Hedrick and Katie Ginzton for watering the arenas and removing the jumps in preparation for the work that was done.

American Donkey & Mule Society

Unfortunately the beloved mules and donkeys will not be visiting RBR this December. The long-time Tournament of Roses participants and RBR visitors were not accepted into the 2008 parade due to a restructuring of the event. A total of 7 equestrian groups were reportedly cut from the 2008 parade in an effort to make the event 30 minutes shorter. We hope that we will see our long-eared friends next year!

Ray Hunt coming back to RBR

Famed 2005 "Western Horseman of the Year" is coming back to RBR for a 2-day clinic November 10th to 11th. For more information on the clinic please contact Kim Ortmond at ortmond@yahoo.com or visit www.rayhunt.com. Spectators

are welcome and the auditing fee is \$35 per person, per day.

Sand for Stalls

The sign-up sheet for sand for stalls has been posted on the bulletin board above the phone and the sand will be delivered mid-November. Thankfully, prices have not gone up since last year!

- Full Stall (approx. 8 tons) - \$171.68
- Half Stall (approx. 4 tons) - \$85.84

Checks should be made out to "Tom Donaldson" and must be left in the purple box in front of Jake's stall by November 9th- no exceptions!!

Reminders

- Be considerate of others wishing to use the fridge and do not store large carrot bags.
- Do not wash out feed tubs in the barn sink as it clogs the drain.
- Sweep out cross-ties after use and pick up manure.
- Do not leave full buckets of manure in front of the trash bins.
- Close the tack rooms when not in the immediate vicinity.
- Boarders, Lessees and Other Peoples Horses Riders sign up for a weekly chore on the sheet above the phone!!
